

Author's Guidelines

Regarding Research Paper

Prospective authors are invited to submit original papers (not being considered for publication elsewhere) in standard format (that is provided) describing new theoretical and/or experimental research. Author can submit paper with have any number of pages including figures, tables, and references. Submissions will be judged on originality, significance, interest, clarity, relevance, correctness, and presentation.

Authors have to consider following criteria before publish the paper.

- The manuscript submitted is author's own original work;
- All authors participated in the work in a substantive way and are prepared to take public responsibility for the work;
- Corresponding (1st Author) Author was authorized by all authors to transfer all royalties related with the manuscript and to enter into a binding contract with IJEDR as detailed in this Copyright Release Form, and He/She will be responsible in the event of all disputes that have occurred and that may occur,
- All authors have seen and approved the manuscript as submitted;
- E-mail and street addresses of all authors have been entered into the IJEDR Journals Manuscript Submission and Evaluation System correctly,
- The manuscript has not been published and is not being submitted or considered for publication elsewhere;
- The text, illustrations, and any other materials included in the manuscript do not infringe upon any existing copyright or other rights of anyone.
- Authors transfer all financial rights, especially processing, reproduction, representation, printing, distribution, and online transmittal, to IJEDR with no limitation whatsoever,
- If IJEDR found any copyright content or any issue related to copyright in future, then IJEDR have rights to withdraw the paper without prior notice to authors.
